

KKG Principal Honored by The Ohio State University College of Engineering as a 2011 Distinguished Alumnus

Brian P. Kinzelman, KKG Principal and Managing Partner, has been honored with a 2011 Distinguished Alumni Award for Excellence in Engineering & Architecture by The Ohio State University, College of Engineering.

Each year the College of Engineering recognizes alumni in the fields of engineering or architecture that have made an impact on or further advanced the field by significant invention, important research or design, administrative leadership, or genius in production.

Congratulations to all of this year's recipients!
